(3) Navy Response to Environmental Protection Agency 3 December 1996 Comments
on the Parcel D Remedial Investigation Draft Final Report, Hunters Point Shipyard

1. Enclosures (1), (2), and (3) are forwarded in accordance with the Hunters Point Annex Federal Facilities Agreement. The responses to the comments contained in enclosures (1) and (2) were inadvertently not included in the Parcel D Remedial Investigation Draft Final Report of 25 October 1996. We apologize for any inconvenience or misunderstanding this may have caused to previous recipients of the Parcel D Remedial Investigation Report. These comments and responses to the comments should be placed at the end of Appendix P of the Parcel D Remedial Investigation Draft Final Report.

2. Enclosure (3) contains the Navy's responses to Environmental Protection Agency comments on the Parcel D Remedial Investigation Draft Final Report. We plan to address the issues raised in these comments within the enclosed responses, or in future CERCLA documentation. These comments and responses to the comments should be placed at the end of Appendix P of the Parcel D Remedial Investigation Draft Final Report.

3. The Navy appreciates the Agencies' efforts to reduce the volume of reproduction that is required for full document revisions. These three enclosures complete the Parcel D Remedial Investigation Report.

4. If you have any questions regarding this enclosure, please contact Mr. William Radzevich, Code 1832.2, at (415) 244-2555.
